All Uurwerk Online prices in 2023

Service and cost

Uurwerk Online comes with our service and support. We keep your software up to date and are there to help you get the most out of it.

Uurwerk Online includes:

- a live demonstration;
- our inventory of your specific needs and wishes;
- configuration of Uurwerk Online according to these needs and wishes;
- installation and training;
- hosting;
- maintenance and updates;
- a yearly user conference;
- training for your schedulers;
- a help desk for your application manager.

Investment

The height of your investment depends on the amount of personnel to be scheduled, but always includes:

- software (latest version);
- configuration of your locations;
- import of staff details;
- installation and training.
